Napolitano, Ann:

Dear Edward (Hardcover) / Ann Napolitano. - New York : Random House, Inc., 2020.

One summer morning, a flight takes off from New York to Los Angeles: there are 192 people aboard. When the plane suddenly crashes, twelve-year-old Edward Adler is the sole survivor.

In the aftermath, Edward struggles to make sense of his grief, sudden fame and find his place in a world without his family. But then Edward and his neighbour Shay make a startling discovery; hidden in his uncle's garage are letters from the relatives of other passengers - all addressed him.

Following the passengers' final hours and Edward's unique coming-of-age, Dear Edward asks one of life's most profound questions:

What does it mean not just to survive, but to truly live?
