Black, Holly:

The Cruel Prince / Holly Black. - New York: Simon & Schuster, 2018. – (The Folk of the Air, 1)

Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever.

And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe.

Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans.

Especially Prince Cardan, the youngest and wickedest son of the High King.

To win a place at the Court, she must defy him--and face the consequences.

In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

Black, Holly:

The Wicked King / Holly Black. - New York: Simon & Schuster, 2019. – (The Folk of the Air, 2; 2.F.v.: The Cruel Prince)

I have heard that for mortals, the feeling of falling in love is very like the feeling of fear.

Jude has tricked Car dan onto the throne, binding him to her for a year and a day. But the new High King does everything in his power to humiliate and undermine her, even as his fascination with her remains undimmed. Meanwhile, a traitor in the court is scheming against her. Jude must fight for her life and the lives of those she loves, all while battling her own complicated feelings for Cardan. Now a year and a day seems like no time at all . . .

The Wicked King is an exhilarating, heart in your mouth blend of murder, magic, desire and betrayal - an unputdownable book that doesn't just live up to the brilliance of The Cruel Prince but exceeds it. Just wait 'til you get to the end... Culturefly
