McKillip, Patricia:

Od Magic / Patricia McKillip. - Ace Reprint Edition, 2006.

Brenden Vetch has a gift. With an innate sense he cannot explain to himself or describe to others, he connects to the agricultural world, nurturing gardens to flourish and instinctively knowing the healing properties each plant and herb has to offer. But Brenden's gift isolates him from people—and from becoming part of a community. Until the day he receives a personal invitation from the wizard Od. She needs a gardener for her school in the great city of Kelior, where every potential wizard must be trained to serve the Kingdom of Numis. For decades the rulers of Numis have controlled the school, believing they can contain the power within it—and punish any wizard who dares defy the law. Obama, Barack:

A Promised Land / Barack Obama. - London : Penguin Books, 2020.

In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil.

Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office.
